Article Title: Manvendra new CTO of Bharatmatrimony

CHENNAI: The Bharatmatrimony Group today announced the appointment of Manvendra Bhangui as the chief technology officer.

He would be spearheading technology initiatives and he would be responsible to create organizational technological strategies, total end-to-end responsibility for all projects and products of the company, which includes technology architecture, testing client interfacing, risk assessment, budgeting etc.

“We are happy to welcome Manvendra as the CTO at Bharatmatrimony Group and I am sure his expertise in various functional areas like Research & Development, Networking and Troubleshooting will take our technological initiatives to newer heights,” said Murugavel Janakiraman, founder and CEO, Bharatmatrimony Group.

He has over 16 years of experience in diverse functional areas of Software Development. Earlier to joining Bharatmatrimony, he was the director Engineering at Yahoo Web Services India Pvt Ltd at Chennai. He has also worked for companies such as Sify, GE Capital International Services and Citibank in his illustrious career.
